

OATH/PROPRIETY/ SMALL ENTITY STATEMENT

I, The undersigned, being a small entity per title 37 code of Federal Regulations (sections 1.63 and 1.76), hereby swear and declare to be sole inventor of the enclosed, disclosed process and embodiments for " **ISOKINETIC BRISTLE BUNDLE BRUSHES**". I request that the attached pages enclosed be accepted as a non-provisional application for A UNITED STATES utility patent. A fee of \$375.00 is enclosed on check number 298 from my account, 889173514, at the Abington Savings Bank in Abington Massachusetts, 023551.

I am the sole inventor of this concept and refer to UNITED STATES Patent 6473929 and application 10/340,326. I have applied the human engineering principles of Isokinetics analysis of human factors tasks to the utility of a paintbrush to reduce stroking replication, thus fatigue encountered in the house painting trade, to determine the most appropriate bundling embodiment of bristle positions for this unique utility.
